

AACTION TRAFFIC SERVICES

Your partner in traffic management

AACTION TRAFFIC SERVICES CAPABILITY STATEMENT

COMPANY SUMMARY

Aaction Traffic commenced business in March 2007. The Company Principals have been engaged in the Traffic Control Industry for over a decade and have a vast knowledge of all aspects of traffic management.

Aaction Traffic has a professional team of traffic control specialists dedicated to providing their clients with reliable, safe and efficient traffic control solutions. Developed with a structure that meets all the demands of the industry, Aaction Traffic has comprehensive policies in place that aim to provide a safe working environment for all involved.

SERVICES and CAPABILITIES

Aaction Traffic can become your partner in traffic control for your next project. With an experienced team and the latest equipment they provide services including project management, hazard planning and traffic management plans which are complemented by a personalised 24/7 service. Offering fast response time, flexibility, competitive prices and comprehensive OH&S policies, Aaction Traffic is a cost effective and dependable choice for traffic management.

Aaction Traffic is committed to offering a high standard of service to all our customers.

- **Traffic Management Planning (TMP)**

Using dedicated software you will be provided with a computerised plan that illustrates required signs, equipment and layout of all site specific requirements.

- **Consultation and liaison with local authorities**

Long term relationships with local authorities enable our team to effectively communicate and negotiate throughout the project.

Aaction Traffic Services supply all signage, traffic control devices and equipment required for onsite traffic control in accordance with Australian Standards and MANUAL Of Uniform Traffic Control Devices (Part 3 Works on Roads) sixth issue, 5th May 2014.

- Signage
- Vehicles
- Vehicle mounted flashing arrow board
- Barricades
- Traffic cones

AACTION TRAFFIC SERVICES CAPABILITY STATEMENT

PROJECTS and CLIENTS

We have successfully secured tenders for: Thies, Brookfield Multiplex, Queensland Children's Hospital, Lend Lease Law Courts, Lend Lease Oral Health at RBH, and Watpac.

We have a large number of long term customers. Services provided to them include traffic control, signage vehicles, permits and traffic control plans, in all areas, on a daily basis.

Due to competitive pricing and our strong clientele, our Company is financially secure and stable, with an estimated annual turnover of twenty-two million dollars (\$22,000,000.00). A Financial Report can be provided, on request.

\$890M Queensland Children's Hospital

Aaction Traffic was awarded the Traffic Management contract for the \$890M Queensland Children's Hospital (QCH) project. Serving our long-term client Abigroup, the project brought together the existing Royal Children's Hospital and the Mater Children's Hospital into a single new world-class health facility. It will be the State's only paediatric tertiary and quaternary referral hospital and the major secondary hospital for children and young people in metropolitan Brisbane.

\$600M Brisbane Supreme Court Project

Aaction Traffic has worked through every phase of the \$600M Supreme Court project. We have provided Bovis Lend Lease (principal contractor) with a complete Traffic Project Management system, including the following:

- ✓ **Traffic Management**
- ✓ **Traffic Plans**
- ✓ **Full-Time 24/7 Traffic Control**
